

Dear East Clinton Families,

If the children in your household are currently receiving Free or Reduced meals at East Clinton Local Schools – they will automatically be eligible for a new program called Summer EBT (Sun Bucks). This summer program will help families buy food during the summer when school is out. **If your children already receive free or reduced meals, you will not need to enroll in the program.** If your children are not currently receiving free or reduced meals – it is not too late to qualify for the remainder of this school year, summer & the first 30 days of next school year. Please visit [payschoolscentral.com](https://payschoolscentral.com). Once you sign in, you will need to register. You will need your child’s student ID

number. You will be able to view, set up low balance notifications and fill out an application for assistance if you choose.

Each family will receive \$120 for each eligible school age child on a card that you can use to buy food during the summer at grocery stores, farmers markets, and other authorized retailers. Summer EBT (SUN Bucks) will be mailed to you or loaded on your current EBT card in June. Not all children will receive the benefit card on the same day. If you receive duplicate cards or more than \$120 per eligible child in your household, do not use the benefits. Questions should be referred to <http://sebt.ohio.gov>.

**PLEASE MAKE SURE YOUR CURRENT ADDRESS IS ON FILE WITH THE SCHOOL DISTRICT SO THAT YOUR CHILD RECEIVES THIS BENEFIT AT YOUR CURRENT HOME.** You can check **FinalForms** and update any information needed. If your child’s Summer EBT is sent to the wrong address – **the state will not be replacing those cards starting this summer.**

If you are eligible but do not wish to participate in Summer EBT (SUN Bucks) contact Anne Woodruff, Food Service Director at 937-584-7455.

In addition to Summer EBT/SUN Bucks the children under 18 years of age in your household can also receive free meals during the summer at a summer meal site or with Summer pick up meals. Watch for more information about those locations [HERE](#).

Sincerely,

Anne Woodruff, Food Service Director
